## Skills For Life : SFL 7 Workshop

This past month, one of our clinicians, **Vinay Verma, Prosthetist and Orthotist**, attended SFL 7 a workshop in Texas where he had a chance to connect with amazing people, from quad amputees sharing their stories to fellow clinicians and specialists from around the world promoting and teaching important skills for mobility for amputees. These workshops were full of practical insights, from adaptive techniques to understanding the psychosocial side of limb loss. Helping people push boundaries to find new ways of living independently, this lessened fear and increased their confidence in taking risks with their mobility. The experience was a reminder of how crucial it is to take a patient-centered approach in everything we do.

# OF THE MONTH

## MERRY MAJCHROWSKI

Clinic Office Administrator, Joliet, IL

I would like to nominate Merry Majchrowski, Joliet, for employee of the month. She is an absolutely wonderful person and admin. Merry has stepped in to help out with other offices so many times while she has worked here and consistently goes above and beyond her roles as an admin. She is generous, efficient, and thorough in her work. I have only met her in person once, but she has helped me out so often that I want to nominate her and make sure she is recognized for her hard work!
