Bionic Prosthetics and Orthotics is proud to have been part of the 2025 AOPA National Assembly, where professionals and attendees gathered to advance the future of O&P. Our team had an incredible time connecting, learning, and sharing innovation at this year's event! From interactive sessions and industry insights to meaningful conversations at our booth, this year's Assembly brought together leading clinicians and creative minds. We engaged with leaders and peers shaping the future of prosthetics & orthotics, and strengthened relationships that help us grow together.

Sharing Expertise: Bionic at the Stage

WHAT'S HAPPENING AT Bionic

A great networking and informational day at the BOC Board of Directors meeting! Bionic was well represented by Brad Watson and Sangeeta Bhambhani, having the opportunity to connect with industry peers, share insights, and meaningful conversations to shape the future of O&P.

Our Central Region team had a great educational session at Valparaíso Care & Rehab. We had live demonstrations, with great questions and awesome engagement.

EMPLOYEE

OF THE MONTH

ROBERT CHORBA

We are proud to recognize Rob Chobra as Employee of the Month from the North East region. Rob took initiative in leadership by actively engaging with key referral sources and initiating conversations that have directly contributed to growth in the region. As a senior clinician, he leads by example, supporting his young team in every aspect of practice with professionalism, guidance, and encouragement. Rob's dedication, collaborative spirit, and ability to build lasting relationships make him both a pleasure to work with and an invaluable asset to our team.
