## **Making Positive Impacts: Our Bionic Successes**

*Quote from Lisa Plascencia, Texas Region,*

"Honestly, with all the changes we've had from Prescott's to Bionic in the last year, I am proud of our staff that have continued to work hard, show up and have a smile on their face every day. We have all worked with each other for 15+ years and have had our share of ups and downs, but we continue to work as a family. Some employees have left and that is acceptable, and it was their decision, but I am extremely proud of the team that we have now! Change is hard but can be a good thing and I think everyone is excited to grow and move forward with Bionic.

Meeting more of the Bionic crew last week at the AOPA conference, was just what we needed"

## AOPA / One Source- Full Page Feature

Bionic is proud to shine the spotlight on our team who attended the AOPA 2022 National Assembly in San Antonio on September 28th through October 1st!

Our team included three speakers for the event and our booth featured an Icarus 3D printer from Filament Innovations that showcased what Bionic is capable of.

**Sagar Shetty** and **Tom Gavin** gave a presentation called, 'Critical Analysis of 3D Printing'. **Tony Gutierrez** presented on the topic of, 'Preliminary Findings of a Clinical Trial Comparing Adjustable Transfemoral Sockets'.

The booth allowed us to promote our new One Source program, which simplifies the ordering and purchasing process for clinicians, allowing them to spend more time doing what matters most - caring for their patients.

We would like to thank everyone who attended and represented the Bionic Family at the event!

A BIG THANK YOU TO EVERYONE  
WHO PARTICIPATED IN SPIRIT  
WEEK THIS YEAR!

## Baked Cauliflower Tots

### Ingredient list:

- 2 cups grated or finely chopped cauliflower rice (about half a medium head)
- 1 egg
- 3 tablespoons flour
- 1/4 cup grated cheddar cheese
- 1/4 teaspoon salt

### Directions:

1. Wash hands with soap and water.
2. Preheat oven to 400 degrees F.
3. Lightly grease a baking sheet.
4. In a medium bowl, combine all ingredients and mix well.
5. Press mixture together to make about 15 small balls or logs and put them on the baking sheet with space between each one.
6. Bake for 20 minutes or until cooked through. For extra crispy tots, broil for an extra 2 minutes. Watch closely to avoid burning.

# New Hires

NOVEMBER 2022

**Gloria Loukota Mansilla**, Prosthetist and Orthotist,  
Evansville IN

Tinley Park IL

# Our October Blood Drive!

# Employee of the Month:

Thank you to those who donated and keep an eye out for our next drive!

## Kasey Turner

Kasey continually amazes me; she goes above and beyond with her job. She is always giving everything she has and is passionate about what she does. She loves taking care of patients and the biggest thing she does is help keep us on track with all the working parts of the office.
