BIONIC BEATS

HELLO
SEPTEMBER!

BIONIC DAY 2023

We are incredibly thankful for everyone in the Bionic Family who came out to our Bionic Day event that took place on August 12th at the Activity & Business Center in Merrillville, IN. Celebrating 15 years of changing lives, the event was a celebration of all the people who have been a part of the story of Bionic along the way.

Despite early rain, the day became beautiful, with adults sharing their stories and playing outdoor games and children decorating the sidewalks with chalk and blowing bubbles.

Bionic's history is made by the people who have all been a part of the amazing work that we do, and we are just as excited for the future that lies before us. Thank you to everyone who took part and we look forward to seeing you all again soon!
